Mariner' Choice most recent endorser, Robert Sutton, commented, "I am a tournament fisherman and charter captain, so it is crucial that I keep my boat looking like new at all times. Now that I've discovered the Mariner's Choice line of products, my maintenance routine has become worlds easier. Mariner's Choice is, hands down, the best line of marine maintenance products available. Mariner's Choice not only outperforms the other brands, but it does this without using harsh chemicals that can damage your eyes, your skin, the gel coat on your boat, or the environment. This is really an amazing product line."

Sutton approached Mariner's Choice for a sponsorship after having tested the products himself. His experience with the products was such that he wanted to endorse the full line and promote it everywhere possible. Sutton continued, "I have been thoroughly impressed with all of the Mariner's Choice products. You won't see me wasting my time or my money using the other brands anymore.
