- Bilge remains clean – and safe
- Eliminate bilge odors
- Reduces premature degradation on bilge and machinery

MARINER'S CHOICE PRODUCTS ARE AN ECO-SAFE BRAND THAT YOU CAN TRUST

# BILGE CLEANER & DEODORIZER

**Directions:** For cleaning machinery and plumbing spray area with Bilge Cleaner & Deodorizer, leave for 5 to 15 minutes and hose down with water. For cleaning bilges, add 4 to 6 ozs. of Bilge Cleaner & Deodorizer per 25 feet of boat length directly into bilge water, allow time for agitation, then pump out bilge. To maintain new or freshly cleaned bilge, add 4 to 6 ozs. of Bilge Cleaner & Deodorizer to bilge area to facilitate clean and easy bilge pump-out.
