

## **Cleans & Deodorizes Any Surface**

Clean-N-Fresh is a formulation of highly concentrated bacteria and enzymes that actively digest odor-causing organic material. This eco-safe product has a pleasant fragrance that will neutralize odors instantly while the bacteria and enzymes will continue to work on digesting odor-causing substances and stains.

The use of this product will facilitate the elimination of offensive marine odors and malodors resulting from fish, waste, vomit, garbage, moisture (especially in enclosed cubbies), mold, mildew, urine, spoiled food, among many other sources.

**Eliminates odors on contact & keeps working**

### **Cleans, sanitizes & keeps working on marine surfaces such as:**

- Head units
- Marine carpets
- Cubbies & hatches
- Porta-potties
- Seating surfaces
- Lockers
