

SUPER WAX & POLISH

Wax & Polish Any Surface

Mariner's Choice SUPER Wax & polish is a liquid wax that is simple to apply, yet leaves a long-lasting finish. This unique wax/polish can be used on ANY surface (including fiberglass, painted metal, stainless steel, chromed surfaces, plastics, rubber, glass, etc.) for long-lasting protection. This wax will outlast most other waxes, leaving a lustrous, water repellent finish on any surface. Use as windshield, windscreen and window treatment for lasting water repellency that will not break-down from salt water.

Maximizes depth of color and long-term appearance of any surface with minimal effort. With SUPER Wax & Polish, you no longer need to worry about getting wax onto unwanted surfaces leaving residue marks – SIMPLY WAX EVERY SURFACE.

Durable protection on ANY surface

Features:

- Use on virtually ANY surface
- Great water repellency for windows and wind-screens
- Easy application
- Non-toxic
- Eco-safe

Benefits:

- Long-lasting – outlasts most waxes in virtually any environment
- Maximizes depth of image and color
- Reduces maintenance
- Enjoyment of your boat
- Preserve surfaces from premature degradation

MARINER'S CHOICE PRODUCTS ARE AN ECO-SAFE BRAND THAT YOU CAN TRUST

SUPER WAX & POLISH

Directions: Simply dispense small amount onto a clean lint-free cloth, and apply to surface to be protected, and rebuf with another clean lint-free cloth doing one area at a time and move to next area. Rebuf with second clean dry lint-free cloth if desired – especially on glass and chrome to remove any streaking. *For best results, use micro-fiber cloths for buffing.*

For easier application, dispense into clean spray bottle, spray light mist onto any surface to be protected, and buff with clean lint-free cloth doing one area at a time and then moving on. Rebuf with second clean dry lint-free cloth if desired – especially on glass and chrome to remove any streaking. *For best results, use micro-fiber cloths.*

Color: Milky white
